

Center for New Americans

A Community-Based Education and Resource Center for
Immigrants and Refugees in Western Massachusetts

Part-time Childcare Worker in Greenfield

Overview

Center for New Americans seeks a part-time childcare worker for its Greenfield site. The childcare worker will take care of children whose parents are attending Center for New Americans' classes. Parents will be on site. This position is on an as-needed basis. If there is advance notice that there will be no children, there will be no childcare. If there is no advance notice but no children, the person will be paid for the first hour of the program.

This position requires the childcare provider to participate in ongoing Family Center childcare programs when these are in session as well as to provide childcare to Center for New Americans' students' children.

Details

Schedule: January 2 through June 30 8:15 - 11:45 A.M., Monday through Thursday; 8:30-10:00 Friday mornings

Location: Center for New Americans, Family Center Building, 90 Federal Street, Greenfield

Qualifications: Successful candidates should have some work experience with the following:

- infants and toddlers;
- caring for more than one young child in a work situation at the same time;
- engaging with families from diverse backgrounds.

Ideally, candidates will be able to provide references for past childcare work

Candidates must also be willing to submit to a CORI check.

Responsibilities:

- Providing childcare
- Reading to children in English in order to promote early literacy

Send resume and cover letter to: Laurie Millman: laurie@cnam.org

Center for New Americans is an Affirmative Action / Equal Opportunity Employer. 

Applications will be reviewed beginning immediately until the position is filled.

About Center for New Americans

Center for New Americans (CNA) is a community-based non-profit adult education center located in Western Massachusetts. Using a participatory approach to instruction, CNA provides limited-English proficient adults with the education and resources to learn English, become involved members of their new communities, and ultimately obtain the tools necessary to secure economic independence and stability.
